

Jesus Prays – for what really matters

John 17:1-26

Jesus prays to his “Father” ... before his “hour” v1

Jesus prays for what really matters

Jesus prays for the Son to be glorified v1-5,10

in his death v1-4

in his restoration to heaven v4-5

to the glory of God His Father & the salvation of many v10

Jesus prays for sanctification& protection of his disciples v6-19

Jesus prays for the unity of His disciples v21-26

Christian unity is to be local, spiritual, real, not merely organisational.
Ecumenism sacrifices truth for external unity.

Therefore, will you pray for Jesus' glory, our sanctification, our unity
and seek to live for it?
