Opportunity to serve!

Do you value the sound and visuals that make up an important part of FNC each week?
If so, consider helping to make them happen.

We need:

- ◇ **Sound desk operators:** This is a reasonably skilled job in terms of having a good ear for how to mix the band and get the most out of our (ailing) sound system. Training is available
- ◇ **Visuals operators:** This is less skilled and involves driving the clever software that drives our projectors. The software does all the hard work, so it's not hard to learn.
- ◇ **Visuals creator:** A more skilled role that aims to help us create slick looking graphics and/or video content for FNC.

Talk to Neil if you would like to serve in any of those roles.
