

## Opportunity to serve!

Do you value the sound and visuals that make up an important part of FNC each week? If so, consider helping to make them happen.

We need:

- ◇ **Sound desk operators:** This is a reasonably skilled job in terms of having a good ear for how to mix the band and get the most out of our (ailing) sound system. Training is available
- ◇ **Visuals operators:** This is less skilled and involves driving the clever software that drives our projectors. The software does all the hard work, so it's not hard to learn.
- ◇ **Visuals creator:** A more skilled role that aims to help us create slick looking graphics and/or video content for FNC.

Talk to Neil if you would like to serve in any of those roles.

What Does it Mean?

*Think realistically about the world*

*Suffering for God's people won't go on forever*

*The Son of Man will rule forever*

What Does it Mean for us?

*Be encouraged. It will not go on forever.  
There will be an end, God is in control, and those who  
trust themselves to Him are ultimately safe and secure  
In the hands of the God of Daniel,  
and in the sovereign Lord Jesus.*

*Going deep into the word ♦ Building gospel community ♦ Overflowing in creative service.*
